DETAILED ACTION

Claim Objections

Claim 1 is objected to because of the following informalities:

In claim 1 line 3 "the user" should be changed to --a user--

In claim 1 line 3 "plurality of tunnels" should be changed to --a plurality of said tunnels--

Appropriate correction is required.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C.

112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 12-15 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claim 12 line 11, the phrase "another network" is used. There is no mention of a first network hence it is not clear where this other network begins.

Claim 12 recites the limitation "said sessions" in 12. There is insufficient antecedent basis for this limitation in the claim.

Allowable Subject Matter

Claims 1-11, 16 are allowed.

Claims 12 -15 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph and objections, set forth in this Office action.
